

Venturex Resources Limited (Venturex) is committed to managing its activities in an environmentally responsible manner. Through effective management practices, Venturex aims to ensure activities have a minimum impact on the environment.

Venturex will strive to:

- ◀ **Develop**, implement and maintain an environmental management system to identify, assess and minimise environmental risk at all stages of its operations as a fundamental part of its long-term strategy.
- ◀ **Comply** with all applicable legal and statutory requirements which we subscribe as a minimum standard.
- ◀ **Engage** Stakeholders on their concerns, aspirations and values regarding the development, operation and closure aspects of our projects.
- ◀ **Communicate** our policy and environmental performance in an open, transparent and accurate manner.
- ◀ **Minimise** the environmental impacts of our operations through the efficient use of natural resources and the reduction of input materials and waste.
- ◀ **Monitor** our environmental footprint and risk through the measurement and reporting of environmental performance.
- ◀ **Ensure** that its Employees and Contractors are fully aware of this policy and their environmental responsibilities at all stages of the Company's activities and operations.
